

Welcome to the Veterinary Oncology Center – a specialty clinic dedicated to the care of pets diagnosed of cancer and supporting their families, located in Seattle area.

Every day advances in veterinary medicine are giving pets and their families the promise of hope. With the aid of advanced treatments, more and more options are becoming available that are allowing pets with cancer to live longer and fuller lives. Cancer care in pets should not be only about survival; it should be about enjoying life while living with cancer. This is what we stand for at Veterinary Oncology Center
